They can be held legally responsible if acting with extreme carelessness or intent to cause harm.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

### License Reciprocity: Volunteer Health Practitioner
225 ILCS 140/6

When an emergency declaration is in effect, an out-of-state licensed volunteer health practitioner who is registered with a registration system can practice in Illinois as if licensed in the state.
License Reciprocity: Veterinarian or Veterinarian Technician
225 ILCS 115/4(15.5)

A veterinarian or veterinarian technician who is licensed in good standing in another state and responds to a request for assistance during an emergency or disaster can be granted a temporary licensure waiver to practice in Illinois.

Scope of Practice: Volunteer Health Practitioner during Disaster
225 ILCS 140/4

Other medical professional, Nurse, Physician, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

When an emergency declaration is in effect, the Illinois Emergency Management Agency can limit or restrict the duration of practice, the geographical areas of practice, the types of practitioners, and other matters relating to volunteer health and veterinary practitioners.

Scope of Practice: Volunteer Health or Veterinary Practitioner
225 ILCS 140/8

Other medical professional, Nurse, Physician, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An out-of-state licensed volunteer health or veterinary practitioner must follow the scope of practice of a similarly licensed practitioner in Illinois. This does not allow a practitioner to practice outside of their personal scope of practice. A proclamation can be made to alter or limit the scope of practice of a practitioner.

Workers' Benefits: State Employee Volunteer Leave
5 ILCS 335/3

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An employee of Illinois, who is a certified disaster service volunteer of the American Red Cross or Illinois Emergency Management Agency, is entitled to leave with regular pay and without loss to seniority, pay, vacation time, compensatory time, personal days, sick time, or earned overtime accumulation to participate in disaster relief operations upon request of the American Red Cross or Illinois Emergency Management Agency.

This is limited to 20 working days in a 12 month period either consecutively or nonconsecutively.
Workers’ Benefits: Local Government Employee Volunteer Leave

50 ILCS 122/15

An employee of a local government, who is a certified disaster service volunteer of the American Red Cross or Illinois Emergency Management Agency, is entitled to leave with regular pay and without loss to seniority, pay, vacation time, compensatory time, personal days, sick time, or earned overtime accumulation to participate in disaster relief operations upon request of the American Red Cross or Illinois Emergency Management Agency.

This is limited to 20 working days in a 12 month period either consecutively or nonconsecutively.

Workers’ Compensation: Volunteer

29 Ill. Adm. Code 301.620

A volunteer who is over 18 years of age, not compensated, appointed and enrolled by the Illinois Emergency Management Agency or Emergency Services and Disaster Agency to perform disaster response functions, and is injured or killed while participating in disaster response or training will receive workers’ compensation.

Workers’ Compensation: Volunteer Health or Veterinary Practitioner

225 ILCS 140/11

A volunteer health or veterinary practitioner who is over 18 years of age, not compensated, appointed and enrolled by the Illinois Emergency Management Agency or Emergency Services and Disaster Agency to perform disaster response functions, and is injured or killed while participating in disaster response or training is entitled to workers’ compensation.
