When an emergency declaration is in effect, an engineer, architect, environmental professional, landscape artist, planner, land surveyor, or contractor who, voluntarily and without compensation, provides their services within the scope of their professional abilities at the request of a public official will not be held legally responsible for personal injury, wrongful death, property damage, or loss caused by acts, errors, or omissions of their service.

This legal protection is limited to incidents occurring up to 90 days after a natural disaster unless extended by an executive order.

The state or locality requesting the services will not be held legally responsible for these services.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

An individual who, in good faith and without compensation, provides, attempts to provide or fails to provide CPR, defibrillation, or emergency care will not be held legally responsible. They can be held legally responsible if acting with extreme carelessness.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

A physician or nurse administering immunization or another protective public health program will not be held legally responsible for any result of their conduct while carrying out their duties.
Liability: Providing Shelter
ALM Spec L ch. S31, 12A
Volunteer / Other

An individual who owns or controls real estate or other premises and, voluntarily and without compensation, allows a city or town to use the real estate for the purpose of sheltering people during an actual, impending, or mock disaster or attack will not be held legally responsible for causing the death or injury to a person on the real estate or the loss or damage to a person's property while on their real estate.

Good Samaritan Law: Veterinarian
ALM GL ch. 112 58A
Veterinarian

A registered veterinarian who, in good faith and without compensation, provides, or attempts to provide, emergency care to an animal outside their ordinary course of practice will not be held legally responsible for acting or failing to act.

A veterinarian is not responsible for hospital expenses if they hospitalize an animal who received emergency care.

This legal protection is not limited to veterinarians registered in Massachusetts.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

Improper Consent by a Minor
ALM GL ch. 112 12F
Physician, Dentist

A physician, dentist, or health care facility that, in good faith, provides care to a minor who represent their ability to consent to medical, dental, or health services without a parent or guardian present will not be held legally responsible.

Liability: Use of an AED
ALM GL ch. 112 12V 1/2(b)
Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker

An individual who completes AED training and who, in good faith, uses it on someone appearing to need CPR or defibrillation will not be held legally responsible. They can be held legally responsible if acting with carelessness.
Liability: Physician and Nurse
Communication with Emergency Medical Services
ALM GL ch. 111c 20
Nurse, Physician, EMT

A registered physician or nurse who, in good faith, advises emergency medical services personnel by radio or other means of communication before a patient arrives at a hospital will not be held legally responsible for acting or failing to act.

An emergency medical services provider who, in good faith, acts based upon such advice will not be held legally responsible.

Liability: Emergency Medical Services Provider
ALM GL ch 111c 21
EMT

An emergency medical service provider who, in good faith, provides emergency first aid, CPR, or other emergency services to an injured or incapacitated person will not be held legally responsible.

An emergency medical services provider is not responsible for the hospital expenses if the person who received emergency care is hospitalized.

Liability: Civil Defense Personnel, Massachusetts, and Political Subdivision
ALM Spec L. ch. S31, 12

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

When an emergency declaration is in effect, the Commonwealth, a political subdivision, agency, or person aiding in civil defense who, in good faith, complies with, or attempts to comply with, a rule or regulation pertaining to the declared emergency will not be held legally responsible for acting or failing to act. They can be held legally responsible if acting with extreme carelessness.

Good Samaritan Law: Search and Rescue
ALM Gl ch. 231 85AA

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker

A registered search and rescue volunteer or a volunteer in a search and rescue who is under the command of the state law enforcement will not be held legally responsible for providing or failing to provide assistance within the search and rescue plan. They can be held legally responsible if acting with extreme carelessness or recklessness.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.
An individual who, in good faith, administers or attempts to administer naloxone or another opioid antagonist to a person reasonably believed to be experiencing an opiate related overdose will not be held legally responsible. They can be held legally responsible if acting with carelessness or recklessness.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

A registered physician, physician assistant, or nurse who, in good faith and without compensation, provides or attempts to provide emergency care outside their ordinary course of practice will not be held legally responsible. They can be held legally responsible if acting with extreme carelessness.

A physician, physician assistant, or nurse is not responsible for hospital expenses if they hospitalize a person who received emergency care.

This legal protection is not limited to physicians, physician assistants, and nurses registered in Massachusetts.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

A physician can apply for a volunteer medical license in place of a full or a retired inactive license through the Board of Registration in Medicine. A physician holding a volunteer license can only practice at work sites approved by the Board and cannot accept compensation for their practice of medicine.

A volunteer license is not required for a physician to volunteer their time.
Volunteer Licenses: Dentist
ALM GL ch. 112 45C

A dentist can apply for a volunteer dental license in place of a full or a retired inactive license through the Board. A dentist holding a volunteer license can only practice at work sites approved by the Board and cannot accept compensation for their practice of dentistry.

A volunteer license is not required for a dentist to volunteer their time.

Powers, Duties, Immunities and Privileges: Law Enforcement Providing Aid in Another Jurisdiction
ALM Spec L ch. S31 11(b)

Law Enforcement

A political subdivision must authorize law enforcement aid through an ordinance, by-law or vote by an authorizing board when it is requested by another political subdivision during riots or violence. When approved, they will have the same powers, duties, immunities, and privileges as in their home jurisdiction. The requesting political subdivision will compensate for injury or death.

Powers, Duties, Immunities and Privileges: Firefighters and Law Enforcement Officer Providing Aid in Another Jurisdiction
ALM Spec L ch. S31 11(c)

Firefighter, Law Enforcement

Law enforcement officer and firefighters responding to a request for aid have the same powers, immunities, duties, and privileges as in their home jurisdiction. The requesting political subdivision will compensate the responders for any injury or death.

Oral Prescription of Schedule II Controlled Substances
105 CMR 701.003

Pharmacist

A pharmacist can accept an oral prescription from a practitioner during an emergency on when the immediate administration of the drug is necessary for proper treatment, there is no alternative treatment available, and it is not reasonable for a practitioner to provide a written prescription to the pharmacist.

Within 72 hours of authorizing an emergency Schedule II prescription, the prescribing practitioner must write a prescription for the dispensing pharmacist to attach to the oral prescription.
