

Scope of Practice: Journeyman Plumber and Journeyman Gas Fitter

NM Stat. Ann. 12-12B-4(A)

When an emergency declaration is in effect, an individual, who is a fully certified plumber or gas fitter, can employ up to 5 gas pilot relighting technicians.

Declaration of emergency or disaster; employment of gas pilot relighting technicians; reimbursement

A. Upon a declaration by the governor of an emergency or disaster, a person certified as a journeyman plumber or journeyman gas fitter pursuant to the Construction Industries Licensing Act [60-13-1 NMSA 1978] may employ no more than five gas pilot relighting technicians during the period of the declared emergency or disaster.
