

## **Liability: Design Professional**

### ARS 32-110

An architect, engineer, geologist, home inspector, landscaper, or surveyor registered as a volunteer and who, in good faith, provides professional services to emergency personnel at a scene of a disaster will not be held legally responsible for acting or failing to act.

---

### **Immunity from personal liability**

Members, agents and employees of the board, members of advisory committees and statutorily established committees of the board and registrants volunteering professional services to emergency services personnel at the scene of a disaster as part of an authorized board program are immune from personal liability with respect to acts done and actions taken in good faith within the scope of their authority.
