

# Deployment of Ambulance Services Out-of-State

007 28 CARR 001(15)

An ambulance service must contact the Arkansas State Board of Health prior to deploying to another state pursuant to federal, state, or private contract or agreement for disaster aid.

---

## Emergency Medical Services

### 15. Out-of-State Ambulance Contracts for Disaster Assistance

Ambulances service shall contact the Department prior to deploying or sending any Arkansas permitted ambulances to another state(s) to fulfill obligations of a state/federal/private contract or agreement for a disaster. Ambulance service shall contact the Department during regular business hours or the Department Emergency Communication Center after hours.
