

Use of AED and Providing CPR Without Certification

Utah Code Ann. 26-8b-201

An individual can administer CPR or use an AED, without having any certificate, license, or authorization to do so, on a person who is believed to be in sudden cardiac arrest.

Authority to administer CPR or use an AED

(1) A person may administer CPR on another person without a license, certificate, or other governmental authorization if the person reasonably believes that the other person is in sudden cardiac arrest.

(2) A person may use an AED on another person without a license, certificate, or other governmental authorization if the person reasonably believes that the other person is in sudden cardiac arrest.
