

Liability: Immunization and Public Health Programs

ALM GL ch. 112 12C

A physician or nurse administering immunization or another protective public health program will not be held legally responsible for any result of their conduct while carrying out their duties.

Physicians & Nurses Immune from Civil Liability in Carrying Out Public Health Programs

No physician or nurse administering immunization or other protective programs under public health programs shall be liable in a civil suit for damages as a result of any act or omission on his part in carrying out his duties.
