

Scope of Practice: Physician Assistant

Iowa Code 148C.4

When an emergency declaration is in effect, a licensed physician assistant, who, voluntarily and without compensation, responds to the need for medical care, can provide their services without following supervision requirements but with such supervision as is available.

A physician who supervises a physician assistant who provides medical care in response to an emergency is not required to follow supervision requirements.

Services performed by physician assistants

a. Notwithstanding subsection 1, a physician assistant licensed pursuant to this chapter or authorized to practice in any other state or federal jurisdiction who voluntarily and gratuitously, and other than in the ordinary course of the physician assistant's employment or practice, responds to a need for medical care created by an emergency or a state or local disaster may render such care that the physician assistant is able to provide without supervision as described in this section or with such supervision as is available.

b. A physician who supervises a physician assistant providing medical care pursuant to this subsection shall not be required to meet the requirements of rules adopted pursuant to section 148C.3, subsection 2, relating to supervision by physicians. A physician providing physician assistant supervision pursuant to this subsection or a physician assistant, who voluntarily and gratuitously, and other than in the ordinary course of the physician assistant's employment or practice, responds to a need for medical care created by an emergency or a state or local disaster shall not be subject to criminal liability by reason of having issued or executed the orders for such care, and shall not be liable for civil damages for acts or omissions relating to the issuance or execution of the orders unless the acts or omissions constitute recklessness.
